Be part of the elegance, where every solve is a brushstroke on the canvas of skill. Embrace the challenge, embody the class. Twist'N'Turn: Where charm meets the artistry of victory.

RULES & REGULATIONS

1. Scramble Sequence and Cube:

Cubes and scramble sequences are standardized and identical for all competitors. The scrambled cubes will be provided by the event organizers for each round.

2. Timer Setup:

In the absence of professional timing equipment, mobile devices may be used as timers. Competitors are responsible for confirming the reliability of the timers before the event.

3. Duration:

Competitors have a maximum of 15¹ seconds for cube inspection and a maximum of 15 minutes to complete the solve. If the time limit is exceeded, the solve will be disqualified.

4. Judges:

Each solve is overseen by a judging panel. The panel ensure adherence to the rules, track timing, and validate the completion of each solve.

5. Tiebreaker:

In the event of a tie, where two or more competitors finish with the same solving time, the tie will be resolved using a sudden-death round.

Note:

In the case of any disputes or concerns, competitors may bring them to the attention of the organizers. Decisions made by the organizers or judges are final.
