BUGBOUNTY

DEBUGGING CONTEST

ROUND 1: MULTIPLE CHOICE QUESTIONS (MCQS)

- Time Limit: Participants will have 20 minutes to answer a set of multiple-choice questions.
- Question Format: The first round will consist of multiple-choice questions related to basic programming.
- Scoring: Points will be awarded based on the correct answers, and participants will be ranked accordingly.
- Fair Play: Any form of malpractice, including unauthorized collaboration, will result in immediate disqualification.

ROUND 2: DEBUGGING CHALLENGES

- Time Limit: Each participant will be allocated 45 minutes to resolve a set of debugging challenges in C/C++.
- Scoring: The number of successful debugs will determine the winners.
- Participant Conduct: Respectful and sportsmanlike behavior must be maintained throughout the event. Disruptive conduct may lead to disqualification.
- Technical Issues: Participants encountering technical problems should inform the organizers promptly. Extra time will be provided only if the issue is confirmed as a technical fault.
- Final Decision: The decision of the judges in the second round will be considered final.
- In the event of any unforeseen circumstances , the decision of the organizing committee will be treated as the final word.
